

LA PETITE MERLOTTE

BORDEAUX SUPÉRIEUR

100 % Merlot

We couldn't resist to introduce you the latest release of our family winery.

Soft and silky Merlot, jam-packed with juicy black cherries and a hint of cassis. Juicy, smooth and yummy...

Made with 100% Merlot, it shows a delicious softness and velvety texture.

Vinification : Individual berries are selected on a sorting table followed by fermentation in stainless tanks at 28°C, including limited yeast additions. During the fermentation, the must is gently pumped over the fermentation cap for smoother tannins. 20 days maceration. Gentle pneumatic pressing.

Ageing : Ageing in concrete tanks, light fining before filtration, 22 months after limited racking to maintain a clean, bright fruit expression of the grape.

Drink over a bistro cuisine, poultry, roast beef and most of all under relaxed occasions.

Production : ~ 120 000 bottles

90 Pts James Suckling
