

Les Petites Cuvées

BORDEAUX ROSÉ

2022

BLEND

- Cabernet Sauvignon 80%
- Cabernet Franc 20%

VINIFICATION AND AGEING

Night harvests to keep fruit potential, sorting table, no maceration, light pneumatic pressing, racking before stainless steel ferment with selected yeast at 16-18°C. Aged in stainless steel tanks maximum prevention from oxidation, «batonnage sur lies » for 4 months. Limited sulfites additions.

TASTING

Summer in a bottle!

The perfect wine to sip with afternoon appetizers, a decadent cheese board or a traditional summer salad !

A beautiful blush pink in colour, slightly salmon-hued, this rosé has a refreshing palate of fresh fruit with hints of floral aromas, "La Petite Folie" will make you travel.

La Petite folie

HISTORY

Château Le Grand Verdus, 115 hectares of vineyards, maintains our winery in the heart of the hills of Entre Deux Mers, 20km East of Bordeaux, near Saint-Emilion. Since 1810, the «Le Grix de la Salle» family has owned this superb Renaissance manor, which dates from 1579. Our family has passed the secret of genuine Bordeaux winemaking from generation to generation.

Today, Antoine and Thomas Le Grix de la Salle continue this great heritage.

VINEYARD

Vineyards of Grand Verdus are blessed with exceptional terroir and micro-climate and benefit from unusual topography in Bordeaux. Variations of altitude create a unique patchwork of soils. They are alternatively composed of limestone, clay and smooth riverbeds gravels.

A rigorous work in the vineyard is regulated by first concerns: health of the soils and preservation of eco-systems. Results are healthier vines and intense wines with greater depth, aroma and personality
