TASTING Dec 2025

LA PETITE FLEUR - BORDEAUX BLANC BIO 2024 -> 90/100

Marked by notes of elderflower and lemon, the bouquet of this 100% Sauvignon Blanc highlights its freshness. With a compact and elegant texture, the wine shows salinity on the attack and benefits from the valuable support of its acidic structure. Fresh, linear and thirst-quenching.

LA PETITE MERLOTTE - BORDEAUX SUPERIEUR BIO 2023 -> 88/100

Aged in stainless steel tanks, this wine aims to refresh and bring a smile! The aromatic profile reflects this intention, with chalky nuances and hints of red berries. The juicy, lively attack confirms the freshness announced by the bouquet. Crisp and mouth-watering, it perfectly conveys its message.

CHATEAU LE GRAND VERDUS - BORDEAUX BLANC BIO 2023 -> 90/100

Intense and expressive, the bouquet of this blend combines freshness and maturity. Notes of white flowers and grapefruit mingle with aromas of ripe nectarines and citrus zest. The velvety texture ensures a smooth and harmonious progression, ideally enhanced by fine bitters on the finish, bringing a welcome freshness. A sapid wine at its peak!

CHATEAU LE GRAND VERDUS - BORDEAUX SUPERIEUR 2022 -> 88/100

The emblematic wine of Château Le Grand Verdus is produced in 300,000 bottles. The bouquet is precise and focused on fresh fruit, with nuances of red berries and a touch of grenadine. With a texture combining vitality and freshness, the wine offers compact, structuring tannins that provide a reliable backbone. An authentic and sapid wine to be enjoyed in its youth.

GENERATION - BORDEAUX SUPERIEUR 2018 -> 90/100

The fresh, floral character of Cabernet Franc is immediately perceptible in the bouquet of the Génération cuvée. Alongside notes of violet, it reveals hints of cocoa beans and ripe black berries. The slightly creamy attack opens the way to a wine combining power, character and charm. Compact tannins complement fine bitters, resulting in a solid structure that literally drives the finish and extends the aromatic expression. A wine to enjoy at the table!

VERTIGE | SOLERA 18-22 - BORDEAUX BLANC -> 93/100

The bouquet reveals notes of evolution, but not oxidation. Nuances of bitter orange and peppermint create a symbiosis that demonstrates freshness within a mature expression. Dense on the attack, the wine is creamy, flavorful and supported by fine bitters that ensure freshness and persistence on the palate. A sapid and subtle wine to enjoy at the table.

ESSENTIEL - BORDEAUX ROUGE 2022 -> 90/100

Vinified and aged without added sulphur, this wine stands out for its fruity intensity, free-spirited character and energy! The aromatic prelude is not only confirmed but perfectly echoed by a generous attack that opens onto a wine with a velvety and elegant texture. The nature of the vintage becomes secondary; it is above all the style that defines a wine with substance and character, driven by an engaging vibrancy.

GRAVIERE - VIN DE FRANCE BIO 2023 -> 90/100

Aged in 400L barrels and 50% amphorae. The bouquet boasts subtlety, finesse and identity, with peppery notes complemented by hints of cherry. Finesse is the guiding thread. On the palate, the wine is built on power, yet supported by freshness and a touch of refinement. This finesse remains in the background of a vigorous structure but is reinforced by a structuring acidity that will eventually surpass the tannins. An ambitious, promising wine already revealing its potential. To taste today, tomorrow and beyond!

MONDET - BORDEAUX ROUGE 2020 -> 91/100

From the Mondet plot, this 100% Cabernet Franc was aged for one year in 400L barrels (first and second use). The bouquet highlights the fresh, youthful character of the grape variety with floral nuances and a mineral touch. Velvety on the attack, the wine unfolds seamlessly. Tannins appear on the finish, forming a reliable backbone alongside a structuring acidity. A youthful, mouth-watering wine enhanced by the freshness of fine bitters on the finish.

MOULIN - BORDEAUX ROUGE 2020 -> 90/100

Intense blackcurrant nuances clearly underline the refreshing nature of Cabernet Sauvignon, alongside notes of eucalyptus. Powerful from the attack, the wine displays a certain salinity that energizes the palate. The power is well integrated, with tannins providing excellent support and working in harmony with the tension of the structure. A rather robust wine whose mouth-watering character enhances its sapidity.

GRANDE RESERVE - BORDEAUX SUPERIEUR 2019 -> 92/100

A selection from the five best terroirs of the estate, with limestone soils for Cabernet Franc, clay-gravel soils for Cabernet Sauvignon and clay soils for Merlot. Aged for 14 months in barrels (20% new oak). Inviting, the bouquet reveals chalky and fruity nuances complemented by a touch of liquorice. The velvety, slightly suave attack announces an elegant, ample and perfectly balanced wine. Its fine-grained tannins gradually reveal themselves, positioning precisely on the finish where they provide an excellent backbone. A wine of character, ready to be enjoyed, with good ageing potential. Everyone will find their perfect moment!

GRANDE RESERVE - BORDEAUX BLANC BIO 2023-> 94/100

Made from 100% Sémillon, Grande Réserve stands out for its depth and subtlety. Here, detail is favoured over brilliance. Inviting, refreshing nuances of stone fruits are complemented by aromas of white-fleshed fruits such as apples and pears. Dense on the attack, the wine is supported by a rich, ample texture, while a delicate austerity ensures freshness on the finish and helps extend the finale. A beautiful wine that gains expression minute by minute. To enjoy at the table!
